HTML Sanity Check

The following HTML should NOT be executed, only shown as plain text:

```
<script>alert("XSS")</script>
```

```
<div onclick="alert('clicked')">Should not be clickable</div>
```

Normal text after HTML fragments should still render correctly.

Mixed Content

This section has **bold** text, *italic* text, and code mixed together with a [link](#) and more **bold** text at the end.
